*Together we provide **personal** and **empathetic** support to people with intellectual and developmental disabilities, removing barriers so they can discover their **best selves***

October gave us plenty to celebrate, and we are excited to look back on the month's greatest hits before stepping into November. Our team had the privilege of showing up across the community through a wide range of events that supported accessible, inclusive activities and encouraged connection and belonging for individuals with intellectual or developmental disabilities. These experiences reminded us how fulfilling it is to be present, building relationships, and helping create welcoming opportunities for everyone. We are deeply grateful to the community partners whose collaboration made those moments possible. October also included Case Management Appreciation Week, during which we honored the meaningful impact case managers make in individuals' lives through their commitment, compassion, and hard work. As the month came to a close, we celebrated our Star of the Month, Sarah, and our Employee of the Month, Chantel, whose stories appear below. You can learn more about them on our blog. Lastly, keep an eye out for November's newsletter on our blog for more highlights from our team and community!

★STAR OF THE MONTH★

In October joyfully recognized our Sarah as our Star of the Month!

Over the past few months, Sarah has grown so much in her confidence and willingness to embrace new challenges. It's been inspiring to watch her blossom, and we happily celebrated her as our October Star!

Congratulations, Sarah!

OCTOBER EMPLOYEE OF THE MONTH

Chantel has made such a meaningful impact in a short time since joining our team in June. We are so grateful for the warmth, dedication, consistency, and heart she embodies every day. We excitedly celebrated her as our October Champion!

Congratulations, Chantel!

CASE MANAGERS DRIVE OUTCOMES!

Case managers, you make extraordinary things happen every day! You turn coordination into connection and advocacy into opportunity. Your compassion, dedication, and person-centered support help people with intellectual and developmental disabilities reach meaningful goals, access essential services, and live more independent, connected lives. Your tireless efforts are invaluable. That's why we honor your commitment and recognize the barriers you break down as you care for the individuals we serve. We're truly grateful for the difference you make!
